I understand that I am directly and fully responsible to Rock Springs Family Chiropractic for all fees associated with chiropractic care my child receives. It has been explained to me that all fees paid for x-rays taken at this office are for the examination and that I am only entitled to a copy of the written imaging report, which explains the results of my child's examination. The actual films themselves are considered part of my child's original health record and as such will not be released to anyone, under any circumstances, including me. I further understand and agree that the actual films are **the sole legal property** of Rock Springs Family Chiropractic and that by law, the doctor must retain these films for a period of no less than 7 years.

The risks associated with exposure to ionization, and spinal adjustments have been explained to me to my complete satisfaction, and I have conveyed my understanding of these risks to the doctor. After careful consideration I do hereby request, and authorize imaging studies, and chiropractic adjustments, for the benefit of my minor child, for whom I have the legal right to select, and authorize health care services on behalf of.

❑ Under the terms and conditions of my divorce, separation or other legal authorization, the consent of a spouse /former spouse or other guardian is not required. If my authority to so select and authorize this care should change in any way, I will immediately notify this office.
